

Instruction Sheet

Model D3239

Large 3 Shelf Cart

INTRODUCTION

The SHOP FOX® Model D3239 Large 3 Shelf Cart is perfect for moving tools around the shop or staging parts for production.

Check the inventory list below **Figure 1** to ensure all the parts are present.

To assemble the Model D3239, do these steps:

1. Install the 4 casters onto the bottom shelf using the hardware from bag 1. The bottom shelf has predrilled holes in each corner.
2. Attach the 4 side braces to the outside of the bottom cart shelf with the hardware from bag 2. The rest of the cart will be assembled using the remaining hardware from bag 2.
3. Loosely install the middle shelf between the side braces.
4. Secure the drawer brackets under the top shelf.
5. Install the top shelf (with the SHOP FOX® logo).
6. Install the cart handle brackets to the end of the top shelf attachment point using the same hardware that secures it to the side braces.
7. Insert the drawer into the brackets and tighten down all the hardware to complete the cart assembly.

Figure 1. Cart fully assembled.
